SPECIFICATION

Format	**Open vertical**
Screening	**Open**
Standard panel	**1200 mm H × 2400 mm W** Not sold as a pool safety barrier. Aston can form part of the boundary around a property with a pool, where it isn't the required pool fence.
Colour	**White**
Material	**100% virgin vinyl (PVC), 10 parts per 100 titanium dioxide UV inhibitors**
Warranty	**15 years**
Gates	**Custom built to match, pedestrian to driveway**

Posts are concreted in. In high-wind zones we recommend aluminium inserts in every second or third post. Care: an occasional wash, water-blast safe up to 1600 psi. Never paint (this voids the warranty).
