DEVON 1.8

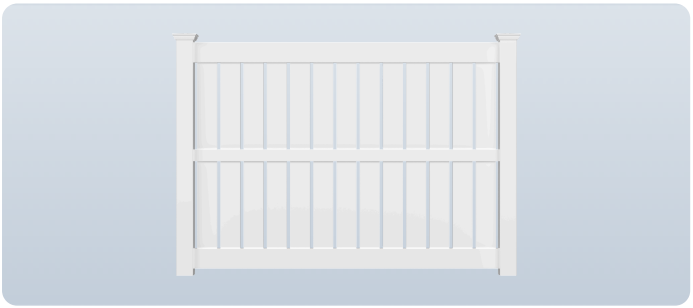
SEMI PRIVACY

The same 24 mm board gap as Devon 1.2, at full fence height. It gives you screening that still lets light and air through.

- 24 MM GAP BETWEEN BOARDS
- MID RAIL
- FULL FENCE HEIGHT

DIMENSIONS

ELEVATION IN MM. PANEL 1830 MM H × 2400 MM W.



SPECIFICATION

Format	**Semi privacy**
Screening	**Medium**
Standard panel	**1830 mm H × 2400 mm W**
Colour	**White**
Material	**100% virgin vinyl (PVC), 10 parts per 100 titanium dioxide UV inhibitors**
Warranty	**15 years**
Gates	**Custom built to match, pedestrian to driveway**

Posts are concreted in. In high-wind zones we recommend aluminium inserts in every second or third post. Care: an occasional wash, water-blast safe up to 1600 psi. Never paint (this voids the warranty).
