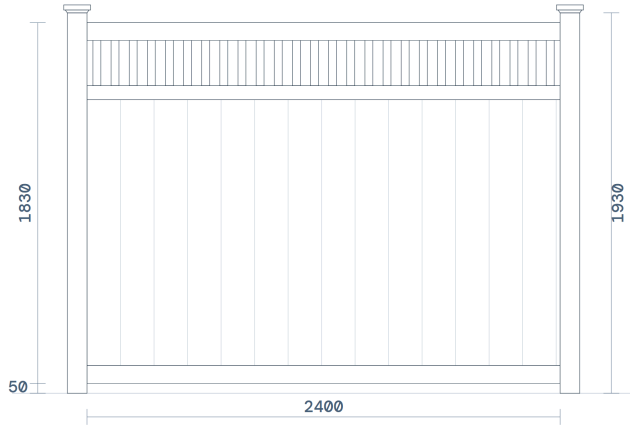
EPSOM

PRIVACY WITH TRELLIS TOP

Solid privacy below, with a trellis along the top. Epsom is a classic look that keeps the boundary private while giving the top line a lighter finish.

- SOLID LOWER INFILL
- TRELLIS TOP
- CAN BE LOWERED TO SUIT

DIMENSIONS



ELEVATION IN MM. PANEL 1830 MM H × 2400 MM W.

SPECIFICATION

Format	**Privacy with trellis top**
Screening	**High**
Standard panel	**1830 mm H × 2400 mm W**
Colour	**White**
Material	**100% virgin vinyl (PVC), 10 parts per 100 titanium dioxide UV inhibitors**
Warranty	**15 years**
Gates	**Custom built to match, pedestrian to driveway**

Posts are concreted in. In high-wind zones we recommend aluminium inserts in every second or third post. Care: an occasional wash, water-blast safe up to 1600 psi. Never paint (this voids the warranty).
