durafence By BelAire

PRODUCT SPECIFICATION

METRO

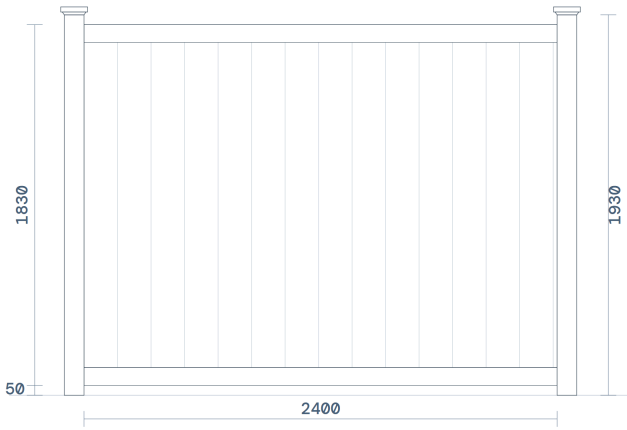

FULL PRIVACY

Solid infill from rail to rail, with nothing to see through. Metro is the most popular Durafence style, for boundaries, courtyards and outdoor living spaces.

- FULL-HEIGHT SOLID INFILL
- STEPS OR SLOPES WITH THE GROUND
- CUT DOWN TO ANY HEIGHT

DIMENSIONS

ELEVATION IN MM. PANEL 1830 MM H × 2400 MM W.

SPECIFICATION

Format	**Full privacy**
Screening	**Maximum**
Standard panel	**1830 mm H × 2400 mm W** Also comes as a standard 1500 mm panel, or can be cut down to suit.
Colour	**White**
Material	**100% virgin vinyl (PVC), 10 parts per 100 titanium dioxide UV inhibitors**
Warranty	**15 years**
Gates	**Custom built to match, pedestrian to driveway**

Posts are concreted in. In high-wind zones we recommend aluminium inserts in every second or third post. Care: an occasional wash, water-blast safe up to 1600 psi. Never paint (this voids the warranty).
